## About

I am a **Front-End / WordPress Developer** with over **1.5 years of experience** in designing and building websites using **WordPress, Elementor, and modern front-end technologies**. I am passionate about **creating responsive, user-friendly, and high-performance websites** with strong attention to **UI/UX design and SEO optimization**.

Always eager to learn and improve, I aim to grow into a versatile web developer mastering both front-end frameworks and WordPress development.

## Skills

WordPress (Elementor, Theme & Plugin Customization)

Frontend: HTML5, CSS3, JavaScript

Other: Responsive Web Design, UI/UX, SEO Optimization, Website Maintenance
